

BED BASE

Cosmos

20cm
HEIGHT

Description

Customer benefits

- 12 passive slats and 100% polyester wadding

- Robust solid wood structure. No sagging over time
- Firm comfort for your bedding

- Covered slatted base

- Impeccable finish and good support of the mattress on the bed base

- Reinforcing bars: Double longitudinal bar and crossbar for 140 width and wider. Triple longitudinal bar for 160 width and wider.

- A robust, durable product

- 100% polypropylene base fabric

- Guaranteed hygiene: no dust accumulated in the base

- Finishes: Rounded corners

- Premium appearance of the finish. Avoids fabric wear on the corners of the bed base.

- Bar with staggered feet

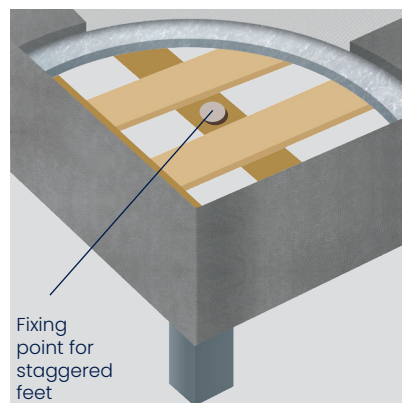

- Vary the position of the feet as you wish

- Bed base to be fitted with four 8-mm thread, screw-in feet, 15 to 25 cm high

- Broad range of feet available

- 6 feet for the 140 width and wider

- Reinforced support for the 140 cm width and wider
